EAGLES FLASH !!!

News For Lambda Seniors

Where did November go? It seemed to sort of zip by for most of us. Along the way we did notice:

A very good turnout for the November potluck. Some 26 fine looking men and women shared their cooking (turkey .. **bless Bil**.. wonderful homemade pies.. **bless Leah**.. salad, **bless Arthur** who says he can't cook..**bless all of you** for your part) company & stories, plans for the actual holiday, etc. in a dimly lit main meeting room. Some light fixtures on the ceiling were burned out..too high for us to fix..so, we just decided it was, like they say, time to make lemonade when all you have are lemons. It was ROMANTIC lighting! (Sans the romance).

The dinner included the subdued lighting behind the paneled glass wall and led to questions about the cost of a dedication. (Researched it! Bronze nameplates are $100, silver $250 and gold $500). The wall provides a public place to remember those who are special to us and helps fund the Center's operations which are not all covered by grants.

On a recent Saturday two *EAGLES* attended the Center's court sanctioned **traffic school**. Tisk, tisk! (Oh, if you *must* know, I made an unsafe turn in front of a car I just did not see, and the second EAGLE did pretty much the same thing). BE CAREFUL BEHIND THE WHEEL! It can be expensive (and painful) to be dealing with consequences of accidents.

Fourth Wednesday Socials

It appears as if the fourth Wednesday in December is Christmas day, so we will not have a game night this month.

We *will* have our regular walking groups (really, more like sauntering and chatting mixed with stops for coffee and pastry).
WHEN? Every Saturday, 10A.M.
WHERE? We meet at Sarti"s restaurant parking lot on Richards Blvd. (off I-5).
CALL Larry (991-2420) for more info.

DECEMBER POTLUCK

Robert Kelly has invited us to his home
DECEMBER 11th, 6:30 p.m.
He is preparing and providing all the hot dishes (he used to do this sort of thing every Christmas for up to eighty people when he worked for Channel 10, so he is very comfortable doing it). HE WANTS A BIG CROWD! The rest of us can provide pre-dinner munchies, soft drinks or wines, breads, salads, deserts,etc. It should be a special evening.
Call Robert (421-6481) for menu ideas.
Call Roy (641-8460) if you need **help with transportation .**
